Maybe it's just us, or  
perhaps it's excessive  
brimstone from the  
movie, but the web  
definitely seems to be  
gettin' spookier.

From China to MySpace,  
evil seems to be gaining  
ground all over. We're  
reassured to know that  
that everyone's favorite  
search engine wouldn't  
ever do anything nasty!
